

The Steps We Work Workshop Series

We will be holding a series of fundraising workshops this year where we will be working the Twelve steps together.

For each Step, there will be a speaker and time to do personal work on that Step. At the end of each workshop there will be time for open sharing on the work you have completed.

If you are new to the program or don't have a sponsor, this is a great opportunity to start your work on the Steps. If you are a long-timer, this is a great way to deepen your recovery.

Everyone with a desire to stop incurring unsecured debt is welcome!
